Social workers, case managers, counselors and other professionals are very involved in identifying and acting in a supporting role to those who qualify to act as a Health Care Surrogate. This program will educate the participating helping professionals in identifying the decision making standards of Health Care Surrogacy; present and evaluate strategies for resolving disputes between surrogates and health care team members; ethical principles involved and explore in general the role of the helping professional in the overall process. Three ethically complex cases of surrogate decision making will be examined. Esteemed speaker Jason Lesandrini, MA, FACHE, LPEC, PhD(c), Owner of Ethics Architect will present this interactive program.

BY ATTENDING OUR WORKSHOP, YOU WILL BE ABLE TO:

- **Identify at least three health care surrogate decision making standards.**
- **Identify and evaluate at least two strategies for resolving disputes between surrogates and health care team members.**

Course Interaction and Technical Requirements: This live webinar is fully interactive. Attendees may ask and answer questions throughout the presentation and participate in instructor-led discussions. A computer or mobile device is required. Zoom account is *not* required.
