Lachelle Guy, LMSW, School Social Worker and Wellbeing and Equity Committee Member
Lachelle Guy is a School Social Worker employed by the Mississippi Bend Area Education Agency (AEA) with almost 12 years of experience. Lachelle graduated from Western Illinois University with a Bachelor's Degree in Family and Consumer Sciences, Family Life in 1999. She later graduated with her MSW from the University of Iowa in 2010. Lachelle is currently a member of the Wellbeing Team at the AEA and has been a member of the Equity Team during the 20-21 school year. As a member of the Equity Team, she has provided training related to Inclusion, Diversity, Racism, and Equity.

Lachelle not only has experience with working in the schools, but her previous job experience consists of being employed by community agencies, as well as in a local hospital. Each position has allowed her to network and develop relationships with these community partners to ensure that her client's needs were being met.

In her spare time, Lachelle enjoys spending time with her son, who recently graduated from high school in June 2022. He will be attending Northern Illinois University in the fall of 2022.

After Covid-19 Lachelle wanted to find a new interest. That interest was making candles. This interest soon became a passion, which led her to open up her own candle company, Sweetest Soul Candles, in 2021. Making candles has allowed Lachelle to continue to make connections with the community and explore her creative side

Helping professionals, including counselors, social workers, and nurses, have an ethical obligation to understand and identify barriers to a client's health and well-being. Identifying these barriers can be obvious at the micro-level, but what about those macro or systemic barriers that need to be addressed? As helping professionals, we need to understand and be aware of inequalities or injustices that our clients face due to race on a daily basis. This presentation will address some of these inequalities or injustices on an environmental and organizational level. Participants will leave with a better understanding of these systemic barriers, the consequences on the client's health and wellbeing, and what we can do to help.

BY ATTENDING OUR WORKSHOP, YOU WILL BE ABLE TO:
