Trauma Informed Care has been all the buzz with organizations being trauma informed and practitioners utilizing a trauma informed approach, but have you wondered what this actually looks like? Do you want to know how you can be trauma informed or how to assess your own trauma informed approach? If you answered “yes”, then this event is for you! In the morning, participants will hear the story of a survivor and the factors that led to her success. Throughout the rest of the day participants will learn how to implement a framework in which they recognize, respond, and empower the populations they work with.

BY ATTENDING OUR WORKSHOP, YOU WILL BE ABLE TO:

- Describe the four R's of trauma informed care
- Identify the principles of trauma informed care
- Discover strategies that are trauma informed to use in practice
- Evaluate the own practice and whether it is trauma informed
- Formulate a plan for implementation of a trauma informed approach

Course Interaction and Technical Requirements: This live webinar is fully interactive. Attendees may ask and answer questions throughout the presentation and participate in instructor-led discussions. A computer or mobile device is required. Zoom account is *not* required. You will receive an email approximately 24 hours prior to the start of the class with a link to the webinar.

In order to receive credit, you must login on time, attend the entire presentation, and complete an online evaluation within 30 minutes of the conclusion of the event. Attendance log and Zoom analytics will be reviewed by the CE Director. Certificates will be provided in approximately 5 business days.

Target audience: Social workers, case managers, discharge planners, nurses, counselors, and other healthcare professionals.
